Procedural steps taken and scientific information after the authorisation*

*Due to the Agency's update of its procedure management systems, an additional document, reflecting the historical lifecycle may be available in the 'Assessment history' section. For the complete product lifecycle procedures, you may need to also refer to **EPAR - Procedural steps taken and scientific information after authorisation (archive)**.

Application number	Scope	Opinion/ Notification ¹ issued on	Commission Decision Issued ² / amended on	Product Information affected ³	Summary
Variation type IB /	C. Safety, efficacy, pharmacovigilance	24/03/2026		SmPC, Annex	

¹ Notifications are issued for type I variations and Article 61(3) notifications (unless part of a group including a type II variation or extension application or a worksharing application). Opinions are issued for all other procedures.

² A Commission decision (CD) is issued for procedures that affect the terms of the marketing authorisation (e.g. summary of product characteristics, annex II, labelling, package leaflet). The CD is issued within two months of the opinion for variations falling under the scope of Article 23.1a(a) of Regulation (EU) No. 712/2012, or within one year for other procedures.

³ SmPC (Summary of Product Characteristics), Annex II, Labelling, PL (Package Leaflet).

EMA/VR/0000333055	changes - C.z Other variation - Accepted C.z (Type IB) – To implement updates throughout the Product Information to correct typographical errors and ensure alignment with the latest QRD template. In addition, the MAH has updated the name of the local representative for NO in the Package Leaflet and removed the local representative for UK (NI), in line with the latest QRD template requirements. Furthermore, the MAH has introduced editorial updates throughout the translated Product Information in all languages.			II, Labelling and PL
